## OPINIONS:

"I'm a student of English course from one year ago and right now I would like to tell something about the course. Actually, the course is useful program to improve the knowledge about listening, speaking, reading and writing for each student before study bachelor. Right as that! When I began study here, for me everything was so new and not in order and I needed arrangement with the system. Finally, I could do it with help of friendly teachers, they helped so much from my start to finish, I feel happy with it. I hope this course will be attractive for a lot of new students, you need and should experience it. Lazarski University always welcome all of you and I'm so proud to be a student here."
